THINGS YOU SHOULD KNOW

SILENT AUCTION ITEMS

- To bid on an item, locate the bid sheet next to the item and/or item description on the table. Write your name and dollar amount on the appropriate lines on the bid sheet.
- All bids must start at the minimum bid amount. Increase your bid by at least the minimum increase. Bids not meeting these two requirements will be disqualified.
- The last bid at the table closing is the winning bid. Subsequent bids are not only unfair, but will not be accepted. The auction official's decision is final.

PAYMENT

- Cash, checks or credit cards are accepted.
- Payment is due, in full, at the end of the event.
- All sales are final. No refunds or exchanges.

PICKING UP ITEMS

- Please leave all items on the auction table. Retrieve your winning bid sheet from the auction official.
- At the payment table, you will pay for the items you "won" in the bidding process.
- After payment, bring your receipts to the table to collect your items.

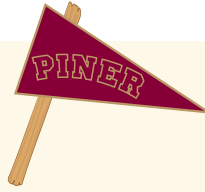

RAFFLE ITEMS RULES

- **MUST BE PRESENT TO WIN.**
- Purchase your tickets. Place your ticket into the bag marked with the item you would like to win.

All items are sold "as is". PHS Foundation, Booster, or HOF donors are not responsible for any personal injuries or damage to personal property which may result from utilization of goods or services. Please be mindful of expiration dates and restrictions on auction items.
